

## **Austin Yacht Club – October 10, 2014**

### Top 5 Takeaways

- Further collaboration within the region is crucial.
- Participants actively seeking to increase the number of Level 1 certified instructors on their staff.
- Interest in developing adaptive sailing programs within the region.
- Interest in further developing open/adventure sailing programs and combining with Reach/STEM.
- US Sailing needs to step up communications/marketing in the region (TX)

Jonathan Meyers – Moderator

“The symposium brought together representatives from vastly different sailing programs including yacht clubs, camps and for-profit commercial schools. It provided a unique experience for representatives to share ideas and determine how to best serve not only their own programs, but the region as a whole.”
