

California Yacht Club and US Sailing  
welcome you to USODA Nationals  
and invite all youth participants to  
**Sailing Through STEM Night**  
4 pm to 7:30 pm

**Parents and coaches are invited for  
cocktails and lite hors d'oeuvres  
and a chance to learn more about  
US Sailing's STEM Education Program**  
7 pm to 8 pm

A new youth sailing program is being assimilated into middle-schools across the country and transforming the way **Science, Technology, Engineering and Math** are being taught. US Sailing, the creators of this innovative program, will be present to describe the program, the impact it is having across the country and future plans for expansion.

Date: Friday, July 25th

Place: California Yacht Club
