ATTACHMENT C TRIPLEHANDED DISCIPLINE ROTATION METHODOLOGY

Immediately after the Competitors meeting on Tuesday, August 7, skippers of Sears teams will draw for the initial boat his/her team will sail. The order of the draw will be made by the CRO drawing from the 11 US Sailing Areas represented in the regatta.

The drawing of boat numbers will commence with the first skipper drawn by the CRO, drawing a paper slip with their boat assignments for all three racing days of the regatta (Competitors will use their initial assignment for the practice race.) Each Area skipper will draw in turn for his team's boats until each Area has its assignment. This changes NOR 7.3.3.3.

The paper strips to be drawn are labeled as follows:
