2019

Welcome from the President of US Sailing

Dear U.S. Team Racing Championship Sailors,

Welcome to the 2019 U.S. Team Racing Championship. We are very pleased to have Newport Harbor Yacht Club as this year's host. They have planned a great event for all of you.

Hosting a US Sailing Championship is a big undertaking. Brian Bissel Regatta Chair, and Clinton Hayes, US Sailing's U.S. Team Racing Championship Committee Chair, have spent many hours working on the details for this event with their respective committees. US Sailing is grateful for the year-long effort by all those involved. We also thank our sponsors Hobie Polarized and Sperry whose generous support makes this premier racing event possible.

Competing in a US Sailing Championship may be a new racing experience for you. Each time it is a different group of sailors and an opportunity to make new friends and reconnect with others. The novelty of the event and the boats will surely make this memorable and challenging for you. Perhaps you will set a new personal record of achievement in sailing. Or, maybe sailing a less-familiar boat will bring you new insights about sailing your usual boat. Most of all, I hope you will simply have fun sailing and make new friendships anchored in your passion for sailing.

Sail fast, compete fairly and enjoy this unique experience. We are glad you are joining us.

A handwritten signature in black ink, appearing to read "Cory Sertl". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Cory Sertl
President of US Sailing

History of Championship

US Sailing's first national team racing championship was held in 1981. Growing out of a regatta initiated by Sailing World magazine it was so successful that it was adopted by US Sailing and became known as the U.S. Team Racing Championship for the George R. Hinman Trophy.

The trophy was donated in recognition of George R. Hinman's many years of service and contributions to yachting. He was a member of the crew that won the second championship for the Sears Cup, a top ranking sailor in the International One-Design Class and for many years in the forefront of Long Island Sound frostbite dinghy racing. He sailed many ocean races and took part in the America's Cup in various capacities as helmsman, syndicate manager and chairman of the America's Cup (selection) Committee. A former President of NAYRU (now US Sailing), he also was a Vice President of the International Yacht Racing Union (formally ISAF, now World Sailing).

The first umpired event was in 1990 and the event went away from being a ladder qualification regatta. When Gary Bodie became Chairman of the U.S. Team Racing Championship Committee in 1992, he restored the popularity of the event making it the hottest event in the country for the post-collegiate group of sailors which it remains today.

The U.S. Team Racing Championship is raced in three-boat/six-person teams. This event serves as a qualifier for World Sailing's Team Racing Worlds when held.

Championship Facts

Doublehanded, monohull dinghies, exact make varies by year. V15, FJ, 420E, and z420 have all been used in past years.
