9. PENALTY SYSTEM

The Event intends to use traditional protest procedures as specified in SIs. Judges may be on the water and may file protests under RRS 60.3.

10. RACE FORMAT & SCORING

10.1 Race Format

- 10.1.1 The event will consist of short, umpired fleet racing using windward/leeward course including a qualifying series and a finals series. Further details will be provided in the sailing instructions.
 - 10.1.2 Fleet Racing Format. If the number of teams accepted and registered for the Event is the same as the number of boats available from the host club, the Event is anticipated to be conducted using a regular fixed fleet racing format (with teams rotating amongst boats as determined by OA). A minimum of three (3) races shall be completed to constitute a series.
 - 10.1.3 League Style Format. However, if the number of teams accepted and registered for the Event exceeds the number of boats available from the host club, the Event is anticipated to be conducted using a league style format (with teams rotating amongst boats as determined by OA) consisting of three stages: Stage One, Stage Two – the Repechage, and Stage Three - the Finals. A minimum of three (3) races in Stage One shall be completed to constitute a series. However, should conditions be such that the scheduled number of races in a stage cannot be concluded (whether in Stage One, Repechage, and/or Finals), the affected stage(s) will be terminated, and the results scored based on all races completed in such stage(s). For teams with fewer scores than races sailed in a stage (because of the round robin format and not for reasons caused by the team), these teams shall be awarded their average score based on the races which the team completed in such stage, as applicable.
 - 10.1.4 In attempt to protect TCYC member's boats, no race will be started or run when sustained winds exceed an average of 17 knots or gust to 22 knots or more.
- 10.2 Scoring: Regardless of race format, races will be scored using RRS A4, however at no point during any stage(s) will a completed race be discarded.

11. COACHING & SUPPORT BOATS

This is a Grade 3 event as defined by [US Sailing's Coaching and Support Boat Policy](#). No private coaching of any competitor while on the water will be permitted.

12. PROHIBITED SUBSTANCES

Per US Sailing Regulation 10.03, for the Event, no competitor will use or possess, either on or off the water, marijuana or any other substance if use or possession is illegal under state or federal law. An alleged breach of these regulations will not be grounds for a protest; this changes RRS 60.1(a), 60.2(a) and 60.3(a). However, when PC believes that a competitor may have breached any regulation or Code of Conduct, it must follow the process described in the Championship Code of Conduct. If a competitor is found to have breached one of the elements within the Code of Conduct, he/she will be excluded from the remaining races of the series and, where practicable, removed from the Event venue and sent home. The competitor's team will be disqualified from all races of the Event. [NP]
