NOR Amendment #5

A 1.n is changed to **prohibit** the use of electronic instruments including digital compasses and watches with ADVANCED TACTICAL AND GPS functions.

A 2.6 is changed to **allow** electronic compasses with timer and basic compass direction functions ONLY.

SI Amendment #1

SI A 1.3.a.6 is changed to read: "digital or analog compasses with basic compass direction functions only, timers and watches without GPS function."

Add new SI A 1.3.b.7 to read: "use digital or analog compasses with basic compass direction functions only, timers and watches without GPS function."

SI A 2.o (Prohibited Items/Actions) is changed to read "the use of electronic instruments other than digital or analog compasses with basic compass direction functions only, timers and watches without GPS functions."
