

POSTPONE

A postponed race is delayed before its scheduled start but may be started or *abandoned* later.

A race can be *postponed* only if it has not been started. Once a race has been started, it can only be stopped by *abandoning* it. To signal a *postponement*, the race committee will make two consecutive sound signals and display flag AP, flag AP over H (meaning return to the harbor and await further instructions) or flag AP over A (meaning no more races that day). See Race Signals.

AP over A
