Comments from [The Racing Rules of Sailing 2021-2024 Study Version](#)

- The wording of the last line of [6.1 introduction] paragraph has been edited for ease of reading. The date has been changed to the last day on which the 2021 draft RRS can be changed.
- In all six bullet points, the word ‘Code’ has been added to reflect the fact that the title of each of the regulations listed here ends with the word ‘Code’. These additions will make it a bit easier for a reader to locate one of these regulations in the lengthy World Sailing Regulations.
- The wording of the last bullet point is the result of Submission 112-19, Proposal 2.
- The changes in rules 5, 6 and 7 are the result of Submission 143-19, as edited. On 22 June, rule 6.2 was reworded for clarity.
