

10 Years of Rose Cup

**U.S. YOUTH
MATCH RACING
CHAMPIONSHIP
FOR THE ROSE CUP**

**Rochester Yacht Club
Rochester, New York
June 23-27, 2021**

The Championship & The Scandone Trophy

In 2009 a group of Balboa Yacht Club (Newport Beach, CA) members and match racers realized that in recent Governor's Cups (see below), the international teams were generally doing consistently better than young U.S. match racing sailors. They realized that the problem was not lack of talent, but lack of opportunity.

They decided to start a "national match racing event" with sponsorship by the Newport Balboa Sailing & Seamanship Association ("NBSSA") and the first regatta was held in 2010 using the "Governor's Cup 21s" then used in the "GovCup". The Rose Cup, emblematic of the championship, was commissioned by NBSSA and named for former America's Cup tactician and youth match racing "patron" Andy Rose. Under the leadership of Dave Perry, the event ultimately moved around the nation and again thanks to Dave's leadership, was designated in 2015 as an official US Sailing event: the U.S. Youth Match Racing Championship ("USYMRC") for the Rose Cup.

At every USYMRC, another special trophy is awarded after a vote by competitors, the Nick Scandone Sportsmanship Award. Nick was one of the finest sailors in the United States but died in early January, 2009, after a six year battle with ALS or "Lou Gehrig's Disease". Nick was beating both able bodied and physically challenged competitors throughout the last year of his life, culminating in his winning a Gold Medal in the Beijing Paralympics in 2008. His legacy is an inspiration to all sailors and to winners of his namesake trophy.

Rose Cup Winners

- 2019 Cameron Feves*
- 2018 Jack Parkin*
- 2017 David Wood*
- 2016 Romain Screve*
- 2015 Christophe Killian*
- 2014 Christophe Killian
- 2013 Scott Buckstaff
- 2012 Will Holz
- 2011 Nevin Snow
- 2010 Chris Segerblom

*USYMRC

Scandone Winners

- 2019 Christophe Chaumont
- 2018 Conrad Vandlik
- 2017 Porter Killian
- 2016 Sean Cornell
- 2015 Colin Kennedy
- 2014 Dane Byerly
- 2013 Christophe Killian
- 2012 Charlie LaLumiere
- 2011 Michael Carr
- 2010 Michael Carr

Host Clubs

- 2010 Balboa YC
- 2011 Balboa YC
- 2012 St. Petersburg YC
- 2013 Sail Sheboygan
- 2014 Oakcliff Sailing/ Seawanhaka Corinthian YC
- 2015 Balboa YC
- 2016 Sail Sheboygan
- 2017 Fort Worth BC
- 2018 Oakcliff Sailing/SCYC
- 2019 San Diego YC
- 2020 Cancelled due to COVID
- 2021 Rochester YC

Getting Invited

The USYMRC is an invitational event based on resumes submitted to US Sailing. Information on how to submit your Request for Invitation ("RFI") is on the back page of this brochure.

While proven ability in match racing events listed in resumes provided in the RFI will be the largest factor considered by the Selection Committee in

selecting skippers, keel boat experience and fleet racing performance are also important. The Committee also seeks to encourage geographic diversity of the entrants.

The winner of the USYMRC for the Rose Cup will receive an automatic invitation to the 54th Annual Governor's Cup International Youth Match Racing Championship if he or she has filed an RFI with the "GovCup". (See back page for details.) The Cup is the most prestigious such regatta in the World and in 2018 was granted Grade 1 status by World Sailing and has had Grade 1 quality entrants ever since. Final grading for 2021 will be dependent upon the final skipper list but it will be at least Grade 2. GovCup alumni include James Spithill, numerous other America's Cup sailors, Olympians and World Match Racing Tour Champions.

Event Schedule

Wednesday, June 23

Registration, practice and informal coaching by Dave Perry and other match racing experts.

Thursday, June 24

North U Advanced Racing Clinic coached by Dave Perry and his instructors —catch up on the latest match racing tactics including both classroom and on the water coaching.

Friday, June 25

First day of round robin series. All teams will sail against each other team at least once.

Saturday, June 26

Round robin series continues. Depending on weather, Semi-Finals series begins.

Sunday, June 27

Semi-Finals and Finals races. After racing, awarding of Rose Cup and Scandone Sportsmanship trophies.

To paraphrase and update Rochester YC's description of its history prepared for the end of the millennium in 2000, *"In spite of what you might think, 142-year old yacht clubs are not all that easy to find. Even Newport Yacht Club, R.I. in one of the sailing capitals of the east, is only 122 years old. So it is to the credit of Lake Ontario and early Rochesterians that the pleasure of yachting has had such a long and successful tradition in this area."* To that we would only say "indeed". U.S. Sailing is honored that the Rochester Yacht Club agreed to host the USYMRC for the Rose Cup last year and will actually get to do so this year!

The Club maintains an active racing program in a variety of classes and sizes of boats including an annual one design championship, and continues to host a number of championships each year including the 2021 Rose Cup. These include the J24 Nationals and the Sonar World Championships in 2019. Regattas are also held throughout the season for larger boats in keeping with the Club's history of hosting and competing for many of the Great Lakes' premier trophies.

No yacht club can feature such a long history without a focus on teaching and encouraging participation in the sport. Rochester YC has both an active junior program, an adult program and hosts and supports local high school sailing. In addition, it encourages members to improve their skills even if they don't own a boat through an extensive fleet of club boats which may be chartered. Together with an active crew list for prospective big boat crew, the Club truly provides a wide variety of ways for sailors to get out on the water.

Making Up for 2020!

Cameron Feves of the Cabrillo Beach Yacht Club (California) is the most recent champion of the US Match Racing Championship for the Rose Cup but due to the cancellation of the 2020 Cup over the COVID situation, his championship occurred in 2019. Cameron and his crew, Justin Zmina, Lukas Kraak and Taylor Milefchik (pictured at right, right to left), beat Porter Killian who, in 2018, finished second in the U.S. Intercollegiate Match Race Championship behind 2018 Rose Cup Champion Jack Parkin. Third place went to David Wood, a former USYMRC Champ (2017) and 4th was Jeffrey Petersen who later in 2019 placed third in the non age-limited U.S. Match Racing Championship. In other words, top teams at the Rose Cup are likely to be competitive at any level of match racing.

The Rochester Yacht Club had planned a terrific championship last year and has agreed to host the Cup this year and is already planning an even better event. As usual, teaching will be an important part of the Rose Cup as Dave Perry and his team again will provide coaching and a North U Advanced Racing Clinic before the competition begins.

ROCHESTER YACHT CLUB

Requesting an Invitation

- ◆ Skipper and crew members must have reached at least their 16th birthday but not have reached their 21st birthday during 2021 and be members of US Sailing.
- ◆ The event is expected to be a World Sailing Grade 3 Event.
- ◆ *Teams will consist of crews of four (4) with a maximum crew weight of 680 pounds with at least one female and one male in each crew.*
- ◆ The U.S. Youth Match Racing Championship ("USYMRC") for the Rose Cup is an invitational event based on Requests for Invitation from qualified skippers.
- ◆ If there are more Requests for Invitations than places available, the USYMRC Selection Committee, organized by the US Sailing Match Racing Championships Committee as organizing authority ("OA"), *in its sole discretion*, will select the invitees from among qualified requests. **Requests for Invitations received by April 1, 2021 will receive preference.** Selected invitees will be notified by April 7, 2021.
- ◆ The Selection Committee will base its selection on a number of factors including experience in match racing as well as fleet racing in dinghies and larger boats. Those requesting invitations should have sufficient experience to handle the Sonar sloops including experience with spinnakers of this size. If the Committee determines that two or more of those skippers requesting invitations are equal in experience and ability, it may favor the older applicant over the younger given that it is an age-limited event.
- ◆ Teams need not be composed of members of the same yacht club or sailing association.
- ◆ The NoR, and all the information necessary to prepare an RFI are available on the US Sailing website. To request an invitation or learn more about the event, copy and paste the following into your browser:

www.ussailing.org/competition/championships/2021-u-s-youth-match-racing-championship/

Or you can find the site manually. Go to US Sailing > Competition > Youth > US Sailing Championships > USYMRC

For more information, please contact:

Dave Perry, US Sailing representative for the USYMRC at:

davperry@optonline.net

NOTE ON THE GOVERNOR'S CUP: The USYMRC winning skipper will receive an invitation to the Governor's Cup International Youth Match Racing Championship July 26-31, 2021, ***provided he or she has filed an RFI with the Governor's Cup by the Friday, April 9, 2021 deadline.*** If the winning skipper cannot, or chooses not to attend, no additional *automatic* invitations will be issued. However, at its meetings in April, 2021, the Governor's Cup Selection Committee may choose to invite additional place winners in the USYMRC from among skippers filing a "Gov Cup" RFI by the deadline (for example, the 2nd placed skipper, whomever that may be). However, other than the automatic invitation to the winner described above, the Selection Committee in its sole discretion may choose to invite additional skippers filing a Gov Cup RFI without regard to the USYMRC results.

For more information and to request an invitation, go to govcupracing.com
