

US Sailing Championship of Champions

Sailing Instructions

Amendment #1

Add new instruction:

9.8 When using mark-bots, routine movement of these marks on the course will not be grounds for redress. This includes mark-bots making movements caused by changing windage, marks returning to station after having been pushed away by a competitor, and collision with marks that do not cause damage. RRS 31 still applies.

Change SI 11.2:

The weather offset mark will be a green mark-set-bot.
