Selection of all classes except the Nacra 15 will be based on a two-event qualification system as described below:

- First Event (for ILCA 6, Nacra15, iQFoil, Formula Kite) and only event for the Nacra 15
 - US Open Sailing Series-Clearwater | Feb. 4-6, 2022 | Clearwater Yacht Club, Clearwater, FL

If any of these regattas are “non-events” as defined in the Notice of Race for that event, cancelled, or postponed, then the one completed event will be the sole qualifier for that class. If both regattas are “non-events” as defined in the Notice of Race for that event, cancelled, or postponed, the ISC will publish a revised selection procedures as soon as practicable.

Final finishing position, not net points, determines an athlete's/team's points from an event and counts towards series standing; ie: 10th place = 10 points.

Scores from each event are added together for a total combined score; ie: 10th and 3rd place finishes add up to 13 points in the qualification system.

The scores of ineligible teams who compete in these events and finish ahead of eligible teams will still count in this scoring system when factoring an eligible team's score; ie: a 10th place finish is 10 points regardless of the eligibility of athletes/teams finishing 1st through 9th.

Competitors must compete and be scored in both the first and second events to be eligible. Competitors must sail in the same class (and in double-handed classes, with the same teammate) in both the first and second events to be eligible. If there is a series-score tie between two or more boats, they shall be ranked in order of the better score at the second event.

Substitutions

- Should a selected single-handed athlete be unable to compete for any reason, including injury or illness, the next highest-ranking athlete will be selected.
- In double-handed classes, should both selected athletes in a double-handed boat be unable to compete, the next highest-ranking team will be selected. Should only one of the selected athletes (either skipper or crew) be unable to compete after selection, a substitute athlete may be approved by the ISC.
- Athletes shall submit requests for team composition changes in writing to the ISC by contacting olympic@ussailing.org. The ISC reserves the right to disapprove the request and select the next highest-ranking team.

Athlete Conduct

Any athlete found to violate the US Sailing Code of Conduct (see Attachment) at any time from the publishing of this document through the commencement of Youth Worlds may not be eligible to represent the USA at Youth Worlds. All decisions regarding an Athlete's violations of the US Sailing Code of Conduct regarding an athlete's eligibility to compete at Youth Worlds will be made by US Sailing, based on the procedures defined in the US Sailing Bylaws and Regulations.
