ATHLETE SELECTION PROCEDURES
FORMULA KITE MEN's and WOMEN'S WORLD CHAMPIONSHIPS
October 08-16, 2022 | Poetto Beach, Cagliari, Italy
PUBLISHED DATE: May 9, 2022

If entries per country are limited for the Formula Kite Men's and Women's World Championships ("the Event"), this document will govern the selection for sailors representing the United States. The Notice of Race (NoR) will be posted at [this LINK](#) when available, but there is some information at www.kiteclasses.org/events/upcoming-events.

Definition of a Prospective Athlete

A person meeting all the Athlete Eligibility requirements specified herein who wishes to compete in the Event.

1. ATHLETE ELIGIBILITY

- All prospective athletes shall be registered as a current and active '[World Sailing Sailor](#)' on the World Sailing website.
- Athletes must be members in good standing of US Sailing.
- Athletes must meet all requirements in the NoR including those regarding nationality, gender and anti-doping.
- Athletes must comply with the US Sailing Code of Conduct (Attachment 1) from the publication date of this document through the Event.

2. SELECTION PROCEDURES FOR ENTRIES

US Sailing's International Selection Committee (ISC) will select the top two prospective female athletes and top two prospective male athletes based on their finish position in the Formula Kite class at the West Marine US Open Sailing Series - Long Beach, July 15 – 17, 2022 (<https://ocr.ussailing.org/california-ocrs/>).

If additional entries per country are available, the ISC will rank prospective athletes for selection based on their finish position in the Formula Kite class at the West Marine US Open Sailing Series – San Francisco, August 12-14, 2022.

The race scores of ineligible athletes who compete in these events and finish ahead of eligible athletes will count in this scoring system; e.g.: a 10th place finish in each race is 10 points regardless of the eligibility of athletes finishing 1st through 9th. Ineligible athletes will include those racing on non-Formula Kite-registered equipment.

3. DISCRETIONARY SELECTION

If the Long Beach event is cancelled or is a "non-event," as defined in the NoR for that event, the ISC will rank all prospective athletes based on their performance at the 2022 West Marine US Open Sailing Series – San Francisco. If both the Long Beach and San Francisco events are cancelled or are "non-events," as defined in the NoR for that event, the ISC will rank all prospective athletes for selection

based on their performance at previous events. Athletes must submit their sailing resume to US Sailing (olympic@ussailing.org) no later than August 15th, 2022. The ISC will make their selection decision by September 1st, 2022.

4. REMOVAL OR WITHDRAWAL OF ATHLETES

An athlete who has been nominated to represent the U.S. may be removed for any of the following reasons:

- Voluntary withdrawal. Athlete must submit a written letter to Kate Drummey, Olympic Operations Manager, at KateDrummey@ussailing.org.
- Violation of the Code of Conduct (Attachment 1). Any athlete found to have violated the Code of Conduct (Attachment 1) at any time from the publishing of this document through the completion of the Event may not be eligible to represent the USA at the Event. All decisions regarding an Athlete's violations of the Code of Conduct in regard to an athlete's eligibility to compete at the Event will be made by US Sailing based on the procedures defined in the US Sailing Bylaws and Regulations.
