Completion of Measurer Training Seminar		

Accommodation and Meal Details

Accommodations: For anyone needing accommodation, US Sailing will find you housing either with a local SDYC host, or at a local hotel.

Meals: US Sailing will provide lunch Saturday-Monday, and a light breakfast of coffee and pastries/donuts each day of class. We would like to invite all attendees to a group dinner on Saturday night, hosted by US Sailing. Dinners on Friday and Sunday will be on the attendee.

Things to Bring: Note taking mechanism (notepad, iPad, computer, etc.); computer (the software needed for inclination tests only runs on PC's, the program will run on a Mac, however it needs to be programmed to emulate a PC operating system); boat/dock shoes; prepare to be outside throughout the weekend, plan accordingly; for existing measurers, please bring measuring equipment as travel allows
