Appeals Book corrections / revisions

Index of Abstracts

18.2, Giving Mark-Room – delete this rules title and Appeal 5

Rule 19.2(b), add Appeal 24's abstract:

When PL and PW are approaching an obstruction, and when rule 20 applies, the decision as to whether PL will pass astern of the obstruction or tack is PL's to make. If PL decides to tack she must hail and, after her hail, give PW time to respond.

Rule 42, add Appeal 128's abstract:

Movement by the crew that does not propel the boat does not break rule 42.1. Movement of the crew that results in an action listed in rule 42.2 breaks rule 42.2, regardless of whether the action actually propels the boat or not.

Rules 60.3 and 85.1, add Appeal 129's abstract:

In order for the sailing instructions or other rules to change a rule, it must refer specifically to the rule and state the change.

In the listing for rule 90.3(c), delete the "(c)"
