NOVEMBER TRAINING CAMP

November 21-24, 2026 at Miami Yacht Club

It is mission critical that we unite as a national team and come together for collaboration, camaraderie and challenge. The premier annual racing camp for youth worlds classes returns to Miami Yacht Club days before Thanksgiving.

All classes working together with expert coaching: ILCA 6, iQ FOiL, 29er, i420, N15.

Invitations to all Youth National Team sailors, and sailors finishing in the top 50% at US Youth Champs in October.

Training in the Gulf Stream offers incredible conditions in this large fleet, collaborative event that is our annual Thanksgiving Racing Camp.

This is the camp that started it all, back in 2018 the affectionately named "ODP" launched to create foundational support for sailors in Youth Worlds Classes. We have refined our camps and support ever since, and capstone each year with this pinnacle training event that brings the entire nation together for a competitive camp.

- Capstone YNT camp of 2026
- Ocean conditions
- Bigger fleets create simulated regatta environment.
- Final YNT camp before 2026 Youth World Championship

Schedule				
	November 21	November 22	November 23	November 24
	Day 1, Saturday	Day 2, Sunday	Day 3, Monday	Day 4, Tuesday
